REPORT ON ZERO DISCRIMINATION DAY CELEBRATION -2023

On Zero Discrimination Day, 1 March, we celebrate the right of everyone to live a full and productive life—and live it with dignity. Zero Discrimination Day highlights how people can become informed about and promote inclusion, compassion, peace and, above all, a movement for change. Zero Discrimination Day is helping to create a global movement of solidarity to end all forms of discrimination.

On Zero Discrimination Day this year, under the theme “**Discrimination is manmade**”, Inderprastha Dental College and Hospital has conducted debate competition among 2nd Year BDS and Post Graduate students, at 9:30 AM ,LT-2. The aim of organizing debate competition was to hone the public speaking skills of the students and teach them to be articulate while expressing their thoughts and opinions. The session was the kaleidoscope of opinions, thoughts and perspective that discrimination is made- For and against, among students. There were 4 groups, 2 groups were in favor of for the topic and 2 Groups were in against the topic.

Points presented were accepted by the spectators with cheers and claps. Some of the points even made us think about the facts. There was so much talent in the room. Arguments were made and roved. The competition was so interesting with the exchange of student's perspective by equally stating the merits and demerits of discrimination is manmade. The event was judged by our Chief Guests for the event **Mrs Deepi Goel** (Joint Secretary IPDC), Dr Riyaz Ahmed (Professor Pedodontics, LLRM Medical College, Meerut, Tabulator medical/dental education CCS University) . The Winners of the Competition were:

1. Dr Sonvita Debnath (PG student)
2. Dr Priya Saraf (PG student)
3. Riya Sinha (IInd BDS)
4. Tirthankar Chowdury (IInd BDS)
