REPORT OF THE PROGRAM

Fresher's day marks the gracious and cordial welcome to the new 1st year students by their immediate seniors. Likewise this year on the 18th of March impressions was organised to welcome the new students entering in Inderprastha dental college and hospital. The freshers were given a chance to showcase their talent in various events like singing . poetry recitation and fashion show. These events help in interaction between seniors and juniors and also enabled the newcomers to adapt to the new surroundings. The event was concluded by an amazing dinner for both faculty members and students and cherry on the cake was the distribution of prizes to the winners by our respected principal Dr. Rahul Paul Sir. The event was a grand a success everyone enjoyed to the fullest.

REPORT ON ZERO DISCRIMINATION DAY CELEBRATION -2023

On Zero Discrimination Day, 1 March, we celebrate the right of everyone to live a full and productive life—and live it with dignity. Zero Discrimination Day highlights how people can become informed about and promote inclusion, compassion, peace and, above all, a movement for change. Zero Discrimination Day is helping to create a global movement of solidarity to end all forms of discrimination.

On Zero Discrimination Day this year, under the theme “**Discrimination is manmade**”, Inderprastha Dental College and Hospital has conducted debate competition among 2nd Year BDS and Post Graduate students, at 9:30 AM ,LT-2. The aim of organizing debate competition was to hone the public speaking skills of the students and teach them to be articulate while expressing their thoughts and opinions. The session was the kaleidoscope of opinions, thoughts and perspective that discrimination is made- For and against, among students. There were 4 groups, 2 groups were in favor of for the topic and 2 Groups were in against the topic.

Points presented were accepted by the spectators with cheers and claps. Some of the points even made us think about the facts. There was so much talent in the room. Arguments were made and roved. The competition was so interesting with the exchange of student’s perspective by equally stating the merits and demerits of discrimination is manmade.The event was judged by our Chief Guests for the event **Mrs Deepi Goel** (Joint Secretary IPDC), Dr Riyaz Ahmed (Professor Pedodontics, LLRM Medical College, Meerut, Tabulator medical/dental education CCS University) . The Winners of the Competition were:

1. Dr Sonvita Debnath (PG student)
2. Dr Priya Saraf (PG student)
3. Riya Sinha (IInd BDS)
4. Tirthankar Chowdury (IInd BDS)

YOGA PROGRAM -2022-2023

A few minutes of Yoga during the day can be a great way to get rid of stress that accumulates daily, in both, body and the mind. Yoga postures, Pranayama and meditation are effective techniques to release stress.

Meditation is relaxation and rejuvenates the body and mind. With this aim in mind, a workshop was organised on the 17th August'2022, 19th October'2022, 9th December'2022, 18th February'2023, 10th April'2023 and 8th May'2023, for the students of Inderprastha Dental College and Hospital in auditorium of the college. The yoga instructor, Mr. Chander Prakash Gupta along with his team, took yoga session with great dedication. The students and staff members participated with full interest, enthusiasm and eagerness.

The session began by seeking the blessings of the Almighty by chanting the Gayatri Mantra. Asanas starting with warming up and stretching were followed by a series of Padmasanas, Sukhasan, Tadasana, BhujangAsana and ending with Shavasana. Exercises for relieving stress, reducing joint pain and enhancing the flexibility of the back were also done for the benefit of the students and staff members.

The Principal, Dr Rahul Paul, motivated the staff and students and conveyed the importance of making yoga an integral part of our daily life by extending the practice of yoga beyond the mat. The session concluded with an interactive session between the instructor and the students and staff of the college, in which the queries of the teachers were addressed satisfactorily. The session was very refreshing, reviving and relaxing
