

# Inderprastha Dental College & Hospital

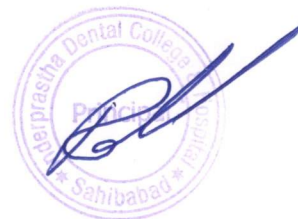

## STRATEGIC PLAN

## TEACHING LEARNING

1. To regularly update the teaching and learning methods that will result in students being up-to-date with current advances in dentistry.
2. To implement evidence based learning, cases studies, projects to improve their root level understanding.
3. To provide training facilities to increase the likelihood that students would perform well on the NEETPG entrance exam, hence increasing the number of students who are able to obtain postgraduate seats.
4. To provide technology enhanced teaching learning opportunity by the use of LCD, laptops and 3D models.
5. To promote more MoUs for student exchange programme

## RESEARCH AND INNOVATIONS

1. To encourage undergraduate to participate in research activities.
2. To encourage and increase Post Graduates involvement in research activities.
3. To encourage faculty to write research grants from Governmental organizations
4. To encourage Staff & Post Graduates to publish research papers in national and international journal which are indexed in PubMed/Scopus/Web of sciences
5. To improve the H-Index of the college.
6. To invite and nurture small innovative ideas that could be taken forward for future patent and copyrights.
7. To encourage all departments to apply for research proposals and locate funding sources in order to raise money for research project

## SKILL DEVELOPMENT

1. To introduce Additional courses and training programmes for Hands on training of students in latest techniques and technology, to enhance their skill sets and clinical competence to achieve better outcomes in clinical practice
2. To conduct regular CDE programmes to keep staff and student updated of advances in dentistry.
3. To encourage Staff to undertake higher learning programmes, FPDs and quality improvement programmes. Staff are in turn asked to share this knowledge and skill with their colleagues, so that all staff are benefited.

## CULTURAL LITERARY AND SPORTS

1. The institution encourages various extracurricular activities like cultural events and sports which help in the overall development of the individual.
2. The college conducts cultural festivals sports day and motivates students to participate in various cultural activities.
