### BDS ORIENTATION PROGRAMME

#### ORIENTATION PROGRAMME FOR BATCH 2023

An orientation programme was held on 12th of September 2023 to welcome the new batch of BDS 2023 in Inderprastha Dental College & Hospital. The orientation ceremony was attended by the new students and their parents.

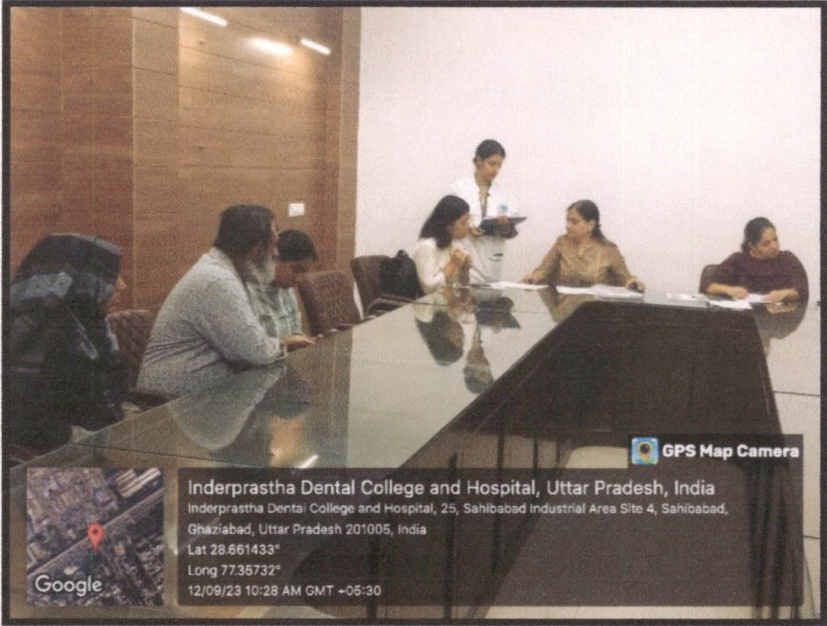

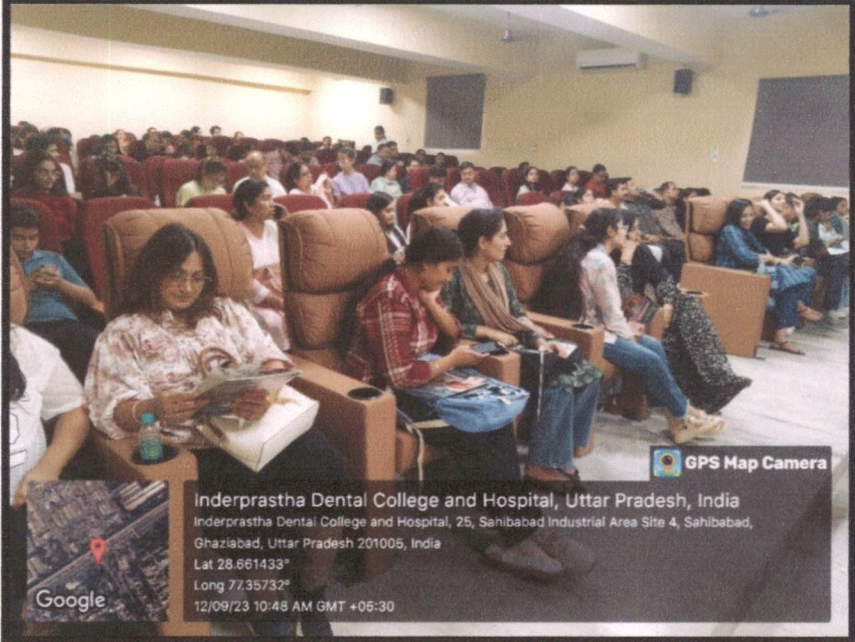

Orientations mark the start of a new beginning. The word 'orient' literally means to find one's footing or find your bearings.

Welcoming the students, Dr. Rahul Paul, Director cum Principal IPDC highlighted the importance of value-based education that was being provided by the college. Sir impressed upon them to maintain a high degree of discipline and decorum for a fruitful learning experience.

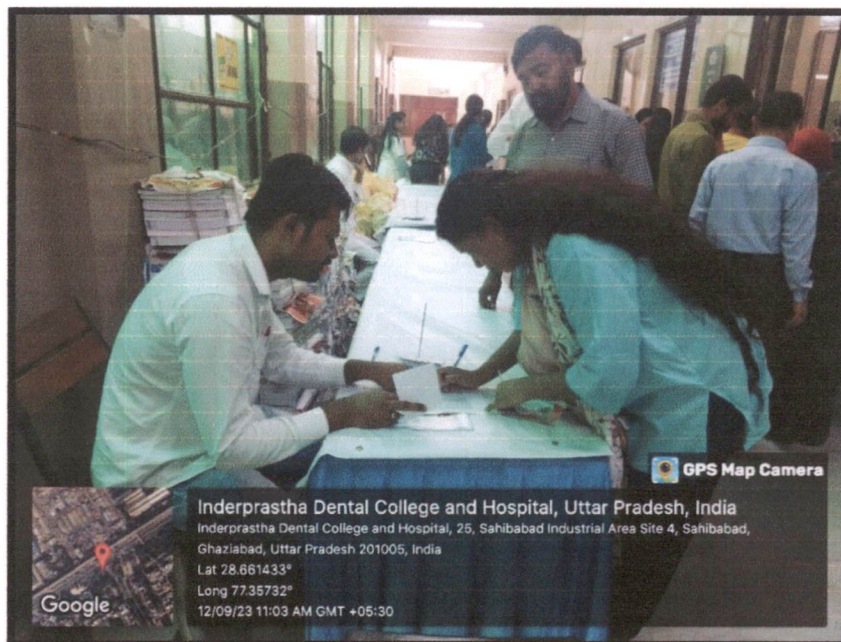

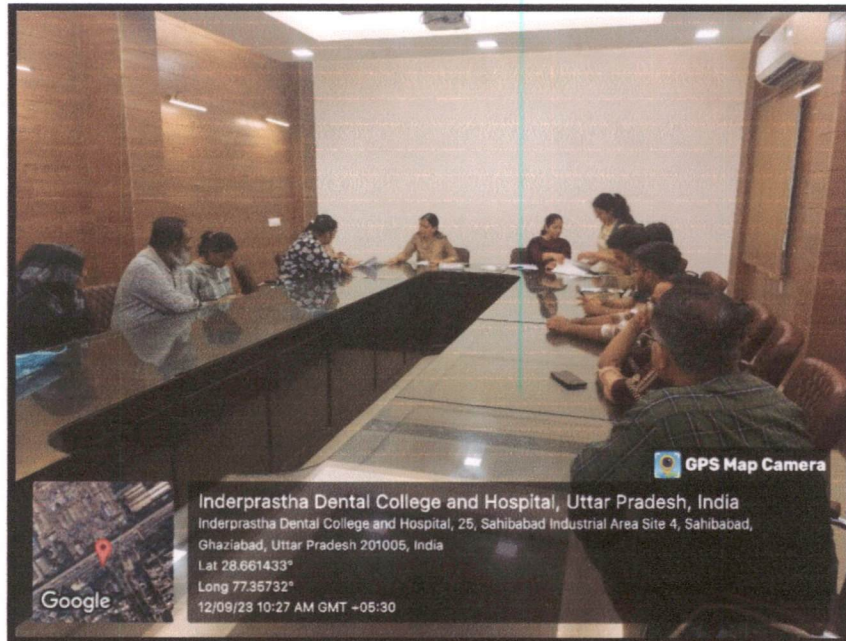

A comprehensive overview of the B.D.S program was given by Dr. Preeti Upadhyay, HOD Department of Periodontology. She briefed the students about various aspects pertaining to student life at the campus with an emphasis on safety and anti-ragging measures. The students were then introduced to their respective teacher guardians which was followed by the data entry of all the academic details regarding the students in college software. The formal inaugural ceremony concluded with a Q&A session to clarify parents' doubts and lunch which was organized by the college for the students, parents and faculty members.

## LECTURE CONDUCTED ON STERILIZATION & INFECTION CONTROL

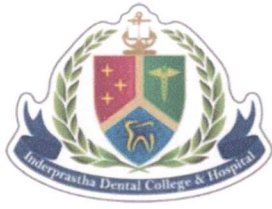

A Lecture was organized by Inderprastha Dental College & Hospital for BDS IIIrd year students on 16<sup>th</sup> April, 2024. The Aim of the lecture was to introduce BDS third year students for importance of sterilization & infection control and proper ways of doing it.

The lecture was delivered by Dr. Pragya Tripathi (Professor), Department of Periodontology. It was an interactive session aiming and discussing all types of infection control required in hospitals and dental clinics and all important points to be kept in mind by healthcare professionals while working on patients in clinical area. The purpose of the session was to train BDS third year students to follow all the sterilization protocols to reduce the cross contamination & infections.

The Programme was a great success with a total of 85 participants.

## WHITE COAT CEREMONY 2023-24

Inderprastha Dental College & Hospital (IPDC) celebrated a significant milestone in the academic journey of its BDS 3rd-year students with a White Coat Ceremony held on 08th April 2024 in LT 2. The ceremony, a revered tradition in medical and dental education, marked the transition of students from preclinical to clinical practice.

During the event, each student is draped in a white coat, symbolizing their commitment to the ethical practice of medicine and dentistry. The ceremony often includes the recitation of the Hippocratic Oath, which is a solemn vow that binds healthcare professionals to their responsibilities of providing compassionate, competent, and ethical care to patients.

At IPDC, the event was held with much significance, and all the students were gathered in the lecture hall donning their white aprons. This was followed by the students pledging the Hippocratic Oath, a powerful moment that highlighted their new role as healthcare providers. Dr. Nikhil Puri, Professor, Department of Conservative & endodontics, was invited to lead the students in reciting this ancient and sacred oath. Her delivery of the pledge was moving and eloquent, ensuring that the students fully understood the weight and importance of the promise they were making to uphold the highest ethical standards in their practice.

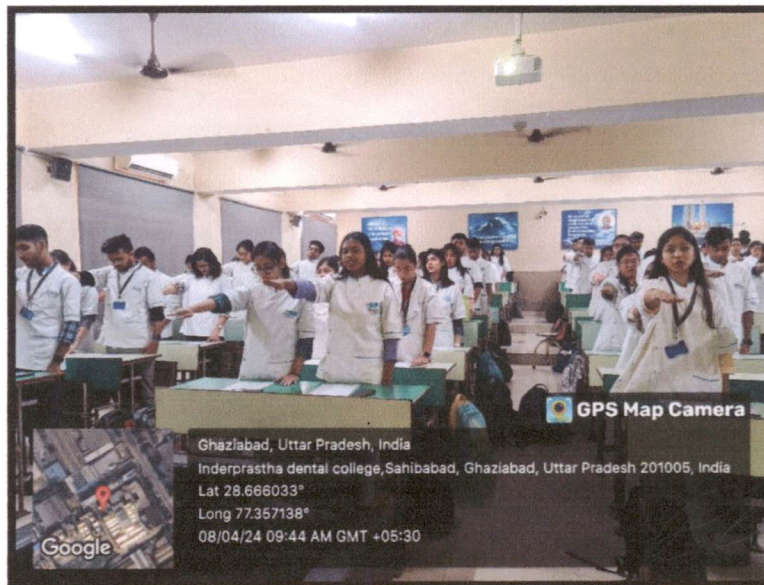

This ceremony not only marked an important academic transition for the students but also emphasized their growing responsibility as future healthcare professionals. The White Coat Ceremony at IPDC serves as a reminder of the honor and duty that come with being part of the medical and dental professions.

## LECTURE CONDUCTED ON BIOMEDICAL WASTE MANAGEMENT

A Lecture was organized at Inderprastha Dental college & Hospital for BDS Third Year Students on 12<sup>th</sup> April 2024. The aim of the lecture was to introduce & train students for ideal ways of Biomedical waste disposal

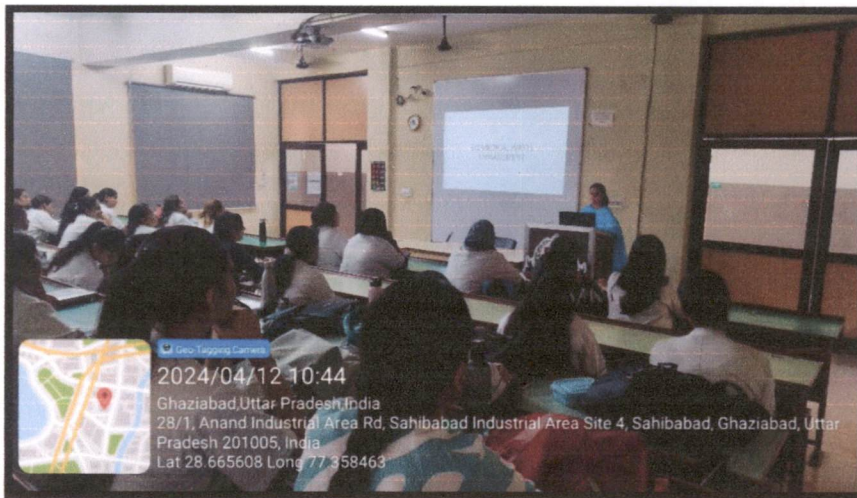

The session was conducted By Dr. Palkin Mehta (Reader), Department of Oral Medicine and Radiology. All Hospitals and other health care facilities generate lots of waste which can transmit infections, particularly Hepatitis B & C, HIV, tetanus to the people who handle it or come in contact with it. It was an interactive session discussing about the knowledge of segregation and disposal of biomedical waste and how to handle sharp and infected waste. The session was a great success with total number of 85 participants.

## INTERNSHIP ORIENTATION PROGRAMME

On April 2, 2024, Inderprastha Dental College & Hospital conducted a comprehensive orientation program for the new interns of the 2019 batch. This event served as an essential bridge for final year students transitioning into their internship phase, helping them adapt to the clinical environment and equipping them with foundational knowledge required to begin their practice. The program commenced with an insightful address by Prof. & Head of the Department of Orthodontics, Dr. Deepti Yadav. Dr. Yadav welcomed the interns and emphasized the importance of maintaining discipline, fostering team spirit, and putting in hard work during clinical practice. She highlighted how these qualities are crucial for becoming competent and successful dentists.

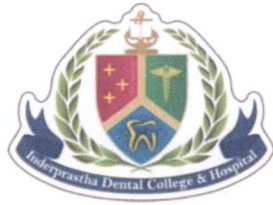

A special focus was given on the critical aspects of **Prevention and Control of Infection**, ensuring that the interns are well-equipped to follow hygiene and safety protocols in their clinical work.

The program concluded with a brief session on **preparing for the NEET exam** for those interns interested in pursuing further specialization through MDS. This segment aimed to guide the interns in planning their academic future while juggling the demands of their internship.

The orientation program provided the interns with valuable insights and resources, setting the stage for a successful and enriching internship experience.
