REPORT OF PERSONALITY DEVELOPMENT PROGRAM

Personality development encompasses the dynamic construction and deconstruction of integrative characteristics that distinguish an individual in terms of interpersonal behavioural traits. Personality development is ever-changing and subject to contextual factors and life-altering experiences. Using the good momentum and positive energy to carry you into the next day and next week will already peek a sense of improvement from the last. Here the lecture on Improvement Begin with “I”, was taken by Dr. Neena M. Moitra, which was informative and practical with day to day life. The lecture had basically emphasised on the saying “No one else is responsible for you but you. You cannot change anything unless you change yourself”. Speaker accentuated over optimism. She emphasised on the fact that emotional health strengthens with Positive thinking.
