For Mentor Mentee

Name of Mentor: Dr. Mayura Patel

Department: Oral Pathology

Mentor Mentee Policy of Institute

Inderprastha Dental college & hospital is the premier Institute for teaching, research and health care. Institute is dedicated for continuous quality improvement and enhancement in teaching, research and healthcare. Students are the base of institute and thus the policies concerned for quality management for students is the prime focus of the institute. Many students at IPDC are from outside city and occasionally they face academic and adjustment challenges. To cope with such problems and to enable them to excel in academics and profession as per their potential, a Mentor Mentee Programme for UG students of the Institute has been developed.

Objectives:

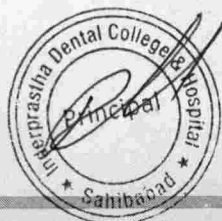

1. To ensure that students perform academically and professionally up to their potential through mutual support and a congenial learning environment.
2. The principal of the college develop mentor mentee programme according to the number of students, faculty members and needs of the discipline as well as of the programme.

Following are the guidelines for the Mentor Mentee programme:

- The principal of the college will monitor the Mentor- Mentee programme for successful implementation of the program to achieve the ultimate goal.
- Students shall be assigned to Mentors (Teaching faculty) right from the first year of the programme.
- A mentor shall have a reasonable number of students as Mentees.
- The mentees preferably (may not be possible in some cases) be attached to the same mentor for the entire duration of the programme of study.
- The mentor shall meet the mentees regularly and record the outcome of the meeting in the hard copy.
- The mentor shall identify the students performing exceptionally well in curricular or co-curricular activities and report to the head of the institute/department for providing further motivation to advanced/gifted learners.
- The mentor shall also identify the students whose performance/attendance is below par. The mentor shall interact with the student and try to find out the cause of the problem or an indifferent behaviour. If required the mentor will involve the parents, head of the department for reforming the student.
- The mentor shall be a member in the disciplinary committee, if a student (mentee) violates the code of conduct.

Areas of Review:

- **Attendance** The mentor shall observe and monitor the attendance of the mentee. He/she shall advise and take necessary follow up actions with regard to students who do not meet the attendance norms of the University.

- **Academic Matters** The mentor shall also keep a track of the academic performance of mentees including continuous assessment, term end examination and help the mentee through counseling or by arranging remedial teaching, if necessary.
- **Behavioral and discipline matters**
- **Health and physical well being**
- **Achievements, talents and co-curricular activities**

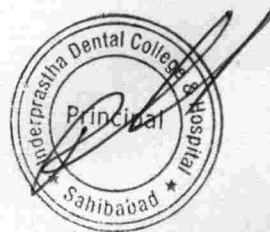

Mentor Roles & Responsibilities

Mentors assume various roles in their relationship with mentees. These roles overlap and change over time. Some of the roles mentors may assume are:

- **Teacher/trainer** providing learning opportunities and offering your experiences as a guide.
- **Positive Role Model** Demonstrating exemplary behavior and offering values that will increase chances for success and happiness.
- **Social supporter/guide** providing encouragement to the mentee as he or she embarks on new experiences.
- **Mentoring the students attendance and test performances.**

Mentee Roles & Responsibilities

- Stay accessible, committed and engaged during the length of the program.
- Assume responsibility for improving skills and knowledge.
- Seek opinion, direction and feedback from the mentor.
