ORIENTATION PROGRAMME FOR BATCH 2021

An orientation programme was held on 04th of April 2022 to welcome the new batch of BDS 2021 in Inderprastha Dental College & Hospital. The orientation ceremony was attended by the new students and their parents.

Orientations mark the start of a new beginning. The word 'orient' literally means to find one's footing or find your bearings.

Welcoming the students, Dr. Rahul Paul, Director cum Principal IPDC highlighted the importance of value-based education that was being provided by the college. Sir impressed upon them to maintain a high degree of discipline and decorum for a fruitful learning experience.

A comprehensive overview of the B.D.S program was given by Dr. Vikram Blaggana, HOD Department of Periodontology. He briefed the students about various aspects pertaining to student life at the campus with an emphasis on safety and anti-ragging measures. The students were then introduced to their respective teacher guardians which was followed by the data entry of all the academic details regarding the students in college software. The formal inaugural ceremony concluded with a Q&A session to clarify parents' doubts and Lunch which was organized by the college for the students, parents and faculty members.
