## **Competitive Exam Training**

### **Report 2021-22**

IPDC conducts extra classes for students to train for appearing NEET exam.

The students posted in the respective departments are guided in their departments by the staff. The basic sciences subjects are revised during Public Health Dentistry Department posting, by splitting the three months posting in to one month for Public Health Dentistry and 2 months for basic sciences subjects. The classes are held from 4.30 pm to 5.30 pm after the college hours every day. The students posted in the respective departments undergo the coaching for NEET exam preparation. The classes are offered from 1<sup>st</sup> BDS to Interns batch, but considering the NEET Exam is held after internship, the participation is seen from Interns batch. The Interns students are offered topic wise discussion, solve MCQs and become confident for appearing in competitive exams. There is a doubt clearing session at the end of every class. The training progresses systematically topic wise, there is a subject discussion on each topic with the staff. The coaching includes the MCQ based test twice a month (at 15 day interval).

Out of total 485 students in the college 99 students participated in the competitive exam training.

## Report 2020-21

### Competitive Exam Training

Considering the significance of qualifying the NEET Examination the Inderprastha Dental College conducts extra classes for students to train for appearing NEET exam.

The classes are held from 4.30 pm to 5.30 pm after the college hours every day. The students posted in the respective departments are guided in their departments by the staff. The basic sciences subjects are revised during Public Health Dentistry Department posting, by splitting the three months posting in to one month for Public Health Dentistry and 2 months for basic sciences subjects. The Interns students are motivated to learn various tips and tricks to attempt MCQs of the required topics. The training progresses topic wise, there is a subject discussion on each topic with the staff followed by MCQ based test twice a month (at 15 day interval).

These classes are offered to all the students from 1<sup>st</sup> Year BDS to Interns, but considering the NEET exam being held after internship, only Interns participation was observed in these classes. The students are trained to appear for negative marking type exams.

Out of total 437 students in the college 54 students participated in the competitive exam training.

## **Competitive Exam Training**

### **Report - 2019-20**

Qualifying the NEET exam is an eligibility criterion for BDS students to enter into the MDS course. Knowing the importance of the exam, Inderprastha Dental College and Hospital offers the classes for training thefrom I BDS to Intern students for competitive exam every year. The classes for training these students for competitive exams are held after the college timing i.e. at 4.30 to 5.30 pm every day.

The classes were offered without any charges to all the students from 1<sup>st</sup>Year BDS to Interns but there is a greater participation form Internsbatch as they will be appearing for the NEET exam soon after the completion of the course. Out of 441 total students, 100 students participated in the training classes.

The objectives of training the students for competitive exams is

- 1- To make the students aware about the multiple choice based questionnaire
- 2- To offer an opportunity to all the students to undergo training for competitive exams,
- 3- To make the students confidence for appearing the NEET exam.

The students posted in the respective departments are guided in their departments by the staff. The basic sciences subjects are revised during Public Health Dentistry Department posting, by splitting the three months posting in to one month for Public Health and 2 months for basic sciences subjects. The students are given ample opportunity to learn all the required tactics and become confident for appearing in competitive exams. The training progresses systematically, there is a subject discussion on each topic with the staff followed by MCQ based test twice a month (at 15 day interval).

The exam evaluation is done and the question paper is discussed with the students immediately after the test. It's made sure the students who could not perform during the test, are encouraged to study harder and their morals are boosted to perform better.
