Inderprastha dental college & hospital held a training session on “**Mastersoft Solutions LMS Training**” on 10 May 2022 in LT-2. **Mr. Inderjeet Yadav**, Senior Software Engineer, Mastersoft Solution, was the guest speaker. He gave an informative and elaborate lecture on various tools available in Learning Management System such as attendance record of students, upload lecture notes, syllabus etc., how to use them and stay updated with their features. He also gave an insight on various other academic features for which this system can be used.

The faculty was enlightened with the various features of the software and how so much data such as attendance, lectures etc. can be stored as soft copy. Also, they understood the ease with which the students can access the details of the syllabus, various lectures etc. from anywhere and at anytime by logging in with their institutional email IDs. It was a very informative lecture for all the faculty members and all of them thoroughly enjoyed the workshop.

Train The Trainers

Program Details – 2 Hour Session

The session was conducted by Ms Sujata Chhabra, from University of Cambridge who is a British Council Certified Trainer. She actively delivers student and teacher trainings on behalf of Pearson India Private limited, British Council, Cambridge University Press and various NGOs.

She emphasized on creating effective classroom management skills which creates an environment for learning and leads to, social and academic success.

The focus during these modules was to develop skills and techniques to enable teachers to manage their classrooms and lead to congenial classes that maximize student learning.

A total of 35 participants were present in the workshop. Participants attending this training program gained insight into a wide variety of skills and techniques to manage their classrooms effectively while ensuring meaningful engagement in teaching and learning process.

She further concluded that besides being an effective classroom practitioner, a teacher has to work with parents, colleagues and society at large. To ensure efficacy in the varied roles, modules on action research, positive parenting, counseling and other relevant/important areas also play an important part.

Report

An online training programme on "How to teach effectively on zoom Platform" was conducted on 30th May 2020, between 10:00am-11:00 am on Zoom Platform (Zoom Meeting ID: 5660347224 Passcode: P3EL81). The objective of this program was to sensitize the faculty regarding online teaching by using zoom. At the outset of the programme; Professor Dr. Mayura Paul, introduced the trainer, Mr. Vibhakar Sharma. The speaker addressed the audience and explained the various features of Zoom, their benefits and applications. 115 faculty attended the programme. The lecture helped the faculty to smoothly and effectively conduct classes using zoom by the use of certain features they were unaware of such as use of annotations during lectures etc. The faculty and in turn students greatly benefitted from this programme as online teaching became much easier and adaptable for all.

WORKSHOP
ON
E LEARNING- CURRENT CONCEPT
EVOLUTION IN EDUCATION TECHNOLOGY

Date: 04-04-2020

Workshop
On
E LEARNING- CURRENT CONCEPT
EVOLUTION IN EDUCATION TECHNOLOGY
Report

A workshop was organized at online platform (Zoom app) on **04/04/2020** with the aim of imparting skills amongst the teachers of the institute to impart knowledge on E- learning.

Session was conducted by Mr. Nimish Agarwal - an Alumni of Indian Institute of Management Calcutta. Currently he is Secretary Inderprastha Dental College & Hospital – Ghaziabad. Also, He is Director of Ispat Udyog Pvt. Ltd. (Company engaged in trading, manufacturing and export of iron & steel forgings). Mr. Nimish Agarwal has a experience working As a Program Manager (development of Visual J and security.) with Microsoft India Ltd, the largest software development company in the world.

The purpose of this workshop was to outline, examine and discuss the evolution, the current state and the new trends in e-learning research Mr Nimish Agarwal discussed that there is abundance of available technology and e-learning tools that foster and support the learning process. Various tools- online forums, their benefits and how to use them to enhance teaching - learning process effectively was explained. It is evident that e-learning is widely used in education and is expected to grow further. He also mentioned Current state of e-learning and prevailing new trends form the foundations for future direction and development of this field for educational and training purposes.

The program was huge success with 34 faculty attending the programme and getting enriched with it.
