Every year, on 31<sup>st</sup> May, the World Health Organization (WHO) and global partners commemerotes World No Tobacco Day (WNTD). The annual campaign is an opportunity to raise awareness on the harmful and deadly effects of tobacco on environment and to discourage the use of tobacco in any form. The focus of World No Tobacco Day 2022 was on "Tobacco: Threat to our Environment".

The campaigns objectives were to increase awareness on:

Then the patients who were having habit of tobacco, were instructed to get them registered in Tobacco Cessation Clinic of Inderprastha Dental College, situated next to registration room. Apart from registration in TCC, tobacco counselling was also done by using pamphlets, posters, anti tobacco booklets and behaviour counselling videos by using smart TV. The program was attended by approximately 50 students and interns and 20-25 teaching as well as non teaching faculty members actively participated in the program.

Approximately over 30-40 patients who visited the OPD were benefitted from this campaign.
