Public awareness was further strengthened through a lecture delivered by **Dr. Geetika Arora**, HOD, Department of Public Health Dentistry, in the market area of Raispur Village on 21st May 2026.

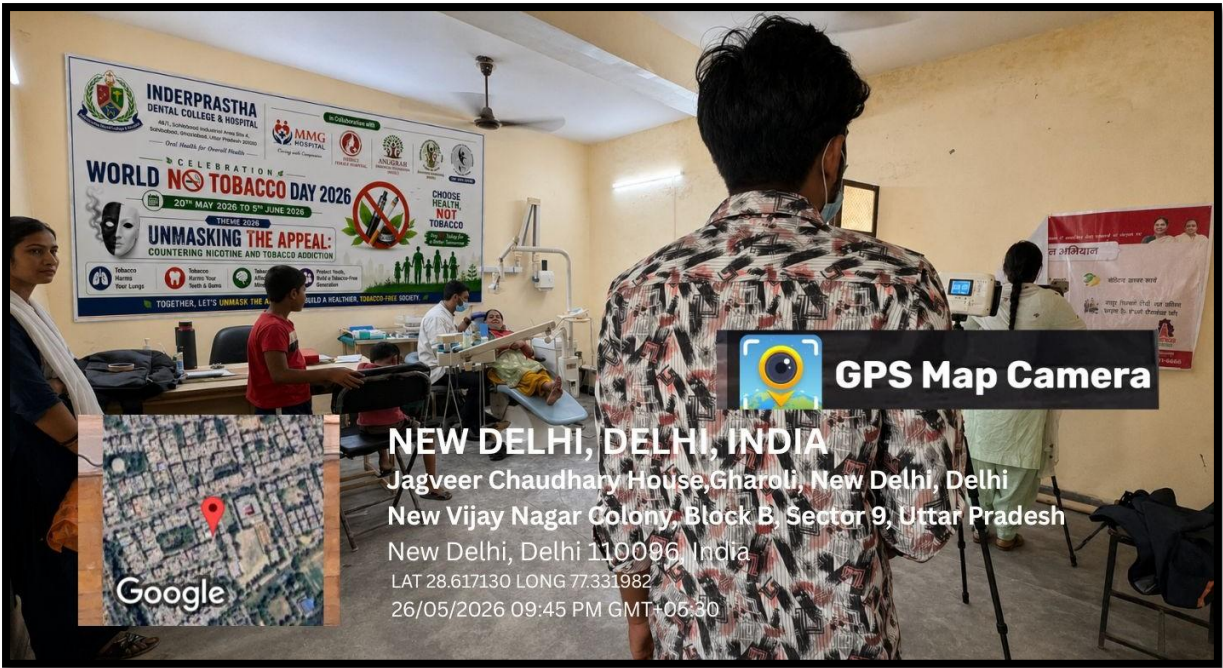

School Oral Health Screening and Tobacco Awareness Camps were organized in **Uttam School for Girls** and **JKG Sr. Sec. School** on 23rd and 25th May 2026 respectively to educate children and adolescents regarding the harmful effects of tobacco and nicotine addiction.

Furthermore, community awareness and oral health promotion activities were organized in association with **Anugrah Emmanuel Foundation (Regd.)**, NGO, focusing on tobacco prevention and oral cancer awareness along with TB investigation on 26th May 2026 at **Gharoli Village Satellite Centre**. These collaborative initiatives helped extend the reach of tobacco control messages and promote healthier, tobacco-free communities.

Community-based Oral Cancer Screening and Awareness Camps were conducted near Kaushambi Metro Station and in Kanawani Village on 29th and 30th May 2026, respectively. These camps included oral examinations, public talks, distribution of educational pamphlets, and tobacco cessation counselling followed by scaling in Periodontology department, IPDC

On 3rd June 2026, Faculty and staff pledge ceremony was conducted and on **1st June 2026** a **stakeholder engagement initiative** was taken by college involving **tobacco vendors** located within a radius of **approximately 3–4 km from the institution**. The vendors were sensitized regarding the increasing consumption of tobacco products among children and adolescents and the role of retailers in preventing youth access to tobacco. Subsequently, a **training and awareness program** was organized in the college premises on **5th June 2026**, where **tobacco vendors and Grade 4 workers** were educated about the ill effects of tobacco, the impact of nicotine addiction on adolescents, and the importance of complying with tobacco control regulations. They were encouraged to refrain from promoting and selling tobacco products to young people and to support efforts towards creating a healthier, tobacco-free community.
