IPDC/PO/Notice/2022/43

Date: -04.07.2022

NOTICE

This is to notify that Institution has established a fully functional IntraOral scanning section in the department of Prosthodontics (U.G. section) to incorporate steps towards digitization in dentistry. All the Post Graduates students are supposed to complete a minimum quota of 5 scanning cases per academic year as a part of their curriculum. The scanning work done should be entered in the PG manuals and countersigned by the faculty.
