IPDC/PO/Notice/2022/90

Date: - 28.09.2022

Department of Periodontology is celebrating the 'World Health Day' on 29th Sep 2022 by conducting an awareness and Outreach Program as part of the Indian Society of Periodontology – Professional Enrichment Programme. Our college is among the selected few elite colleges which have been chosen from all over India to be part of the activity.

The programme will include a presentation on "Gum Care For Heart Care" to be presented by Prof. (Dr.) Preeti Upadhyay to the 4th year BDS students followed by check-up and awareness for the Out-patients of the department.

All the 4th year BDS students & Interns are to be present in LT-3 at 10:20 am on 29th Sep 2022 to make the programme a success.
